RE: Credentialing

This is to inform you that I terminated my consulting work with Trinity Youth Services and thus stopped seeing medical patients as of 30 December 2007 in order to assume a full time position with the Veteran's Administration Mental Health Care Group.

I apologize that this information is coming to you so late, but apparently you did not receive my original letter. This of course is why I did not renew my credentials by May, 2008.

A handwritten signature in black ink, appearing to read "Dennis L. DePry" followed by a stylized circular mark.
